ATLANTA, GA.

Morehouse College Notes.

The annual Triangular Debate between Morehouse, Knoxville, and Talladega Colleges took place last Friday night. The subject of the debate was Resolved, That pensions should be paid from the public funds to needy mothers of dependent children. J. Q. Adams, E. R. Richards as principal speakers and C. R. Perkins alternate. Represented Morehouse at Talladega, this team lost. The vote of the judges being 2 to 1. M. M. Fisher, R. C. Barbour, as principal speakers, and I. D. Reid, alternate, represented the college at home against Knoxville. This team won unanimously. The names of the judges at home were Prof. McKee of the Georgia School of Technology, Prof. Bixler of the Atlanta Theological Seminary, and Judge W. W. Tindall of the Juvenile Court of Atlanta.

The baseball team is just back from Tuskegee where it played last Friday and Saturday. The game on Friday went to Tuskegee by a score of 6 to 1. From the first to the eighth inning the score ran 2 to 1 in our favor. T. I. by bunting hits ran in four scores in the 8th and M. C. was unable to overcome this lead in the 9th. The game was begun just after a hard rain, and played through seven innings in a steady drizzle. The battery: Nance, Maddox, Jones.

The second day told a different tale. M. C. took the lead with two scores in the first and kept the lead until the 6th when T. I. added 3. The score was tied in the 7th and remained so until the 12th. Through these 12 innings both teams ran in on bases, taking all sorts of chances. These were five thrilling innings of real hard baseball. M. C. made the winning run in the 12th. Final score 5 to 4.

Maddox who pitched seven innings on Friday came back Saturday and was invincible through the entire 12 inning fray. His name is now changed in reality from "Wing" to "Steel Arm."

TURNER COLLEGE.

(Shelbyville.)

Gardening and general planting are the slogan at Turner these days. Everybody is taking a hand, teachers and students, both male and female. The tenants on the campus this summer will have a splendid garden to begin with. President Jones says that he wishes to provide well for his successor. The student rally which closed last Sunday evening was a success. The Purples led the report of finances by a few cents. But there is more to follow. A full report will be given later. A large crowd came out from the city, every church was well represented. Addresses were delivered by Rev. A. Ransom of the M. E. Church, Rev. William Cannon of the First Baptist Church, and Rev. E. F. Gooch of the Mt. Zion Baptist Church. Each speech was well received. President Jones, in a few words asked the citizens to take some steps towards joining the great movement of garden and farm culture, and said that he thought the people of this community should wake up to this all important question. Prof. Laws made some timely remarks upon the subject. It was decided by vote to call a mass meeting Tuesday night at the M. E. Church to further consider the proposition.

The male quartet left this week for a trip through East Tennessee, ending up at Chattanooga. They will appear at Warren Chapel next Sunday in company with President Jones who is scheduled to speak there that day. Miss Delsie Alkin has returned from a two weeks' stay at home in Lewisburg. Miss Mar'e Orr of Lewisburg left for a short visit home last Friday. The English Class was photographed last Monday. This is one of the largest classes to graduate, consisting of sixteen persons. Mr. Eggleston Wise-man of Winchester has returned to remain to the close of school, after about ten days' absence. A Mock Trial will take place at the college Friday night, in which a young lady is suing a young man for breach of promise. Mr. Henry Davidson, one of the citizens, will serve as judge in the case. President Jones has made a couple of trips to Nashville recently to look after some gardening at his home in the city. He says he will probably need a garden both at home and the college, in order to keep alive.

There were other papers and some beautiful little pieces were recited by the little Misses Tommie Ashley and Alberta Marsh. Mr. O. L. Scruggs made a strong speech on the "Revolution of Time." He made it plain that time changes everything, and urged the people that now is the time to get together. Rev. W. H. Perkins also spoke on the subject of Wisdom.
